COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION TO  
KENTUCKY UTILITIES COMPANY

Kentucky Utilities Company ("KU"), pursuant to 807 KAR 5:001, is to file with the Commission the original in paper medium and an electronic version of the following information. The information requested herein is due no later than September 25, 2017. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

KU shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which KU fails or

refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, KU shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to KU's response to Commission Staff's First Request for Information ("Staff's First Request"), Item 2, Attachment, page 3 of 3, wherein KU indicates an under-recovery of \$209,518 as a result of using 12-month average revenues to determine KU's monthly billing factors. In Excel spreadsheet format with all formulas intact and unprotected and all rows and columns accessible, provide the calculation of the \$209,518 under-recovery as a result of using 12-month average revenues to determine KU's monthly billing factor.

2. Refer to KU's response to Staff's First Request, Item 4, page 2 of 3, wherein KU indicates that incorrectly classified expenses from January 2017 "will be corrected in August 2017."

- a. Explain whether the correction is included in the monthly report filed August 18, 2017, or whether it will be included in the monthly report for the August 2017 expense month.

b. Explain why KU chose to include the correction in the monthly report instead of in the over-/under-recovery calculation for the review period.
